PROGRAM DESCRIPTION

Learn to recognize and respond to practical evidentiary problems on your feet. At this critical program, judges and leading advocates teach you how to use testimonial, real, documentary and demonstrative evidence in ways that make an impact, and share strategies for keeping common objections and responses on the tip of your tongue. You will also learn to impeach a witness correctly. Dynamic faculty presentations and an optional afternoon skills workshop will upgrade your understanding and working knowledge of some of the key rules. This program is designed for junior litigators who want to increase their confidence in court.

This program has been accredited by the Law Society of Upper Canada for 6 hours towards the professional development requirement for certification.
